RULES TO FOLLOW FOR DOG OWNERS

Dogs must stay in the places where they are allowed at all times.

Your dog should always be **on a leash and under surveillance**. The length of the leash should be maximum 3 meters.

Your dog **should never be left alone** in an accommodation, inside or outside (cottage, yurt, shelter, tent, camper or vehicle). The dog must be under the surveillance of a responsible person all the time.

Clean up after your dog. **The feces of your dog must be picked up everywhere you go** (accommodation and trails). It is forbidden to hang plastic bags containing feces to tree limbs at any time. The plastic bags should never be left in nature. Bring them back with you and dispose of them properly in the bins near the welcome center.

A dog demonstrating an **aggressive behavior** or disturbing the peace of other people **is not tolerated** in Vallée Bras-du-Nord.

Dogs are allowed **in some shelters (except for La Clairière), between 3 pm and 11 am**, only if the accommodation has been booked exclusively and if the presence of the dog(s) has been previously reported to the staff. From 11 am to 3 pm, shelters (except La Clairière) can be used by hikers as a stopover.

Please note that a DOG OWNER NOT FULFILLING one or many of the above statements can see its access REVOKED to the trails and the infrastructures of Vallée Bras-du-Nord.

It is the responsibility of the dog's owner to ensure their dog has been **VACCINATED AND DEWORMED** for their own safety and the safety of others.
